

Learning-Through-Doing

join the maker revolution

The 7th Annual Conference on Integrated Computing & STEM Education

<http://c-stem.ucdavis.edu/conf>

WHEN: Saturday, November 4, 2017 8am – 3:30pm

WHERE: UC Davis Conference Center

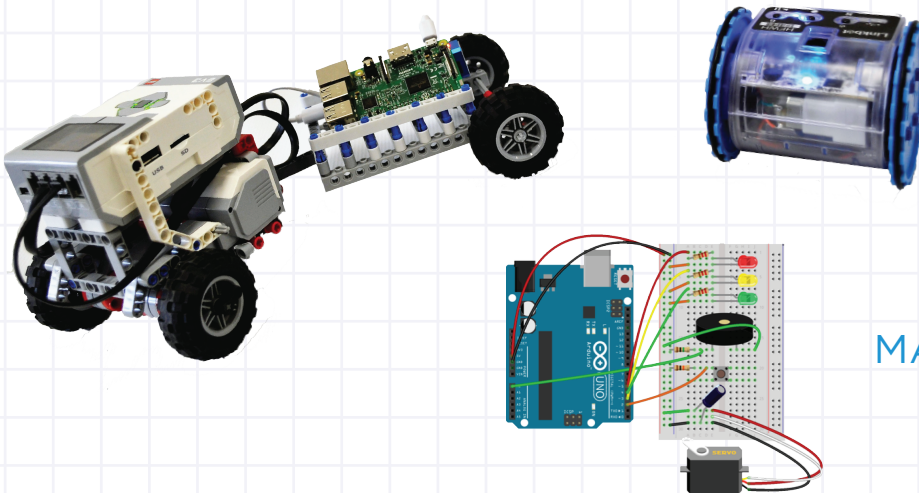

AT THE CONFERENCE:

- Bring your own laptop, take back the technology, curriculum, and know-how to excite students in your classroom with coding, making, and robotics
- Attend hands-on breakout sessions featuring Linkbot, Lego Mindstorm, Raspberry Pi, and Arduino
- Learn first-hand how to inspire a generation of makers and get a 100% math proficiency rate for your class

keynote speaker

Dale Dougherty,
Founder & CEO, Make:
MAKE Magazine & Maker Faire
