

# Girls In Robotics Leadership CAMP

The C-STEM GIRL Camps are focused on motivating girls in middle school entering 7th or 8th grade to learn computing and STEM concepts through a fun and exciting robotics-based curriculum. We hope this leadership camp will enable them to serve as leaders and inspire other young girls to gain interest in science and technology through creating and joining robotics clubs in their schools and participating in the RoboPlay Competition on C-STEM Day. The camp participants are also eligible for the Girl's Leadership Award.

**Location:** CORE Charter School,  
321 16th St., Marysville, CA 95901

**Time:** TBD

**Date:** June 18-22, 2018

**C-STEM GIRL Camp Director:**

Dr. Harry H. Cheng

**C-STEM GIRL Camp Affiliate Director:**

Chris Mahurin

**C-STEM GIRL Camp Mentor:** TBD

**C-STEM GIRL Camp Coaches:** TBD

**Cost:** FREE for campers

## 2018 Keynote GIRL Inspirer, June 19th, 9-10am

Peggy Johnson, Executive Vice President of Business Development, Microsoft

Peggy was named the #1 Most Powerful Female Engineer of 2017 by Business Insider. She will share her experience on how to become a powerful woman in STEM and answer questions from GIRL campers. Peggy will inspire all GIRL camp participants in pursuing a STEM related secondary education and career.

### Curriculum Focuses on:

- Robotics
- Principles of Engineering
- Programming in RoboBlockly & Ch/C/C++
- Film Production
- Women in IT
