In order to ensure that the C-STEM RoboPlay Challenge Competition is accessible to as many students in as many schools as possible, we have a strict limit to the number of teams a teacher may register. A teacher may either register two teams or one team for each C-STEM class they are currently teaching, whichever is greater. By signing below, you acknowledge this statement and that the information provided is correct.

Falsifying information on this C-STEM Class Verification Form will result in disqualification and exclusion of all teams registered by this teacher for the 2021 RoboPlay Challenge Competition. Please submit this filled out and signed form to RoboPlay@c-stem.ucdavis.edu by May 8, 2021.
